To The Texas Association of Student Councils District 3 Executive Board,

Red Oak High School would like to formally declare our candidacy for the office of Recording Secretary for District 3 of the Texas Association of Student Councils for the 2025-2026 school year.

For the past eleven years, Red Oak High School Student Council has been under the direction of Angela Thomas. During these years, we have remained a sweepstakes council and have been active members of TASC. Red Oak Student Council has held multiple district 3 officer positions, including Corresponding Secretary, President, Parliamentarian, Fall Conference Host, and most recently District 3 President during the 2024-2025 year. Mrs. Thomas has served on the board during our years as Corresponding Secretary, President, and Parliamentarian. She was also recognized as the TASC State Advisor of the Year in 2025. Red Oak Student Council has also served at the state-level as state Secretary and has campaigned for state President. These positions have united our council and strengthened our commitment to developing leaders throughout the broader community. We also feel that these experiences have prepared us well to serve as the D3 Recording Secretary.

Our student candidate, Izani Harris, is a current junior at Red Oak High School and currently the Recording Secretary for our student council. Izani has been an active member of our council since 10th grade and has always had a passion for taking leadership and serving others throughout the community. Izani has been active in TASC for the last year by attending Fall Conference, D3 Overnigher, and TASC Summer Workshop at San Antonio. She is very motivated and driven to take on the position of District 3 recording secretary if given the opportunity to do so. Our council believes that we will be an excellent addition to the District 3 Executive Board.

Sincerely,

Izani Harris
