Lawrence D. Bell High School

1601 Brown Trail • Hurst Texas, 76064 • (817) 399-3230

January 9, 2026

To the Texas Association of Student Councils District 3,

Lawrence D. Bell High School would like to formally declare its candidacy for the TASC District 3 President position in the 2026 Texas Association of Student Councils election. At L.D. Bell High School, we pledge to execute all tasks associated with the President position. Our platform is to ensure drama stays within the TV shows and out of our hallways. Our mission is to build respectful and inclusive school communities by not only raising awareness but also taking initiative against social bullying.

Our platform, Pause & Don't Pass, aims to unite students through a genuine community. We focus on addressing social bullying in all its forms, gossip, rumors, insigating and much more. As we know, bullying has its effects from the largest to the smallest of schools; it has no limit. At L.D. Bell High School, we strive to create a campus culture where students feel supported, respected, and included. By encouraging students to pause before spreading negativity and choose empathy instead, we hope to foster a community that values kindness and connection.

Both our advisor, Sarah Keith, and student representative, Suchit Agarwal, are prepared to serve the role with enthusiasm and effort because they are aware of the responsibilities involved in the President role. Both the advisor representative and the student fully understand what it takes to be TASC's District 3 President, and if chosen, they are excited to uphold the commitment and dedication that this role entails. Sarah Keith's qualifications include serving on the TASC board in 2023 as the Parliamentarian advisor and as the Fall Conference Coordinator for District 3. Sarah Keith is a driven and compassionate leader whose willingness and passion for serving students is evident in everything she does. She approaches every responsibility with enthusiasm and consistently gives her best effort to support and uplift those around her. Suchit Agarwal is a dependable and effective leader who serves his council with purpose and empathy, and most importantly, he continues to impact those around him through his actions and character positively.

The Lawrence D. Bell High School student council is grateful for the opportunity to seek the role of President for District Three of the Texas Association of Student Councils. We are eager to serve students across the district by promoting our platform by creating school communities where empathy, respect, and connection come before gossip, drama, and online negativity. Our council hopes to encourage students to think before they spread harmful words or rumors. We intend to inspire meaningful change and help develop the leaders of tomorrow. Thank you for your consideration, and we look forward to the opportunity to support and strengthen student councils throughout Texas.

Sincerely,
