

January 16, 2026

Dear TASC District 3 Leadership,

On behalf of Hebron 9th Grade Campus and Hebron High School Student Councils, we are pleased to submit this letter of intent expressing our interest in hosting the TASC District 3 Conference in early March of 2027 at our campuses in Carrollton, Texas.

Hebron 9th Grade Campus and Hebron High School collectively serve around 3,600 students and offer the space, facilities, and resources necessary to successfully accommodate a District 3 conference. With access to multiple classrooms and large common areas, we are confident in our ability to support competitive events, breakout sessions, and other conference activities in a safe and organized environment.

Although this would be our first time hosting the TASC District 3 Conference, our officers and advisors are highly motivated and fully committed to the responsibility. Our team is enthusiastic about taking on the challenge and is prepared to dedicate the time, planning, and collaboration required to ensure a positive and well-run experience for all attendees. We are eager to work closely with TASC District 3 leadership to meet all expectations and requirements.

Hosting the District 3 Conference would be an exciting opportunity for our schools to support TASC at the district level while fostering leadership, organization, and service among our students. We believe our facilities, student involvement, and commitment to excellence make Hebron an ideal host location.

Thank you for your time and consideration. We would be honored to host the TASC District 3 Conference and are happy to provide any additional information upon request.

Sincerely,

Hebron and Hebron 9th Grade Student Council Officers

Kayla Lambert-Hebron 9th Grade Campus Student Council Advisor *Kayla Lambert*

Jennifer Russell-Hebron High School Student Council Advisor *Jenn Russell*

Anaya Noorani - Hebron 9th Grade Campus Officer *Anaya*

Amber Hinkle - Hebron 9th Grade Campus Principal
