**Subject: Coppell High School Candidacy for TASC D3 Vice President (2026–2027)**

Dear TASC District 3 Leadership,

On behalf of Coppell High School Student Council, we are pleased to formally announce our intent to run for the TASC District 3 Officer position of Vice President for the 2026–2027 school year.

Coppell High School has a strong history of service and leadership within District 3. We have previously served as a D3 officer school and are proud to have earned District Sweepstakes recognition for the past three consecutive years. These experiences have strengthened our understanding of district operations, collaboration among schools, and the responsibility that comes with serving as a district leader.

If elected, our platform will focus on growth, connection, and inclusion within District 3. A primary goal of our administration would be to actively recruit and engage additional schools, with a special emphasis on expanding participation from Fort Worth ISD, Dallas ISD, and Arlington ISD. We believe that increasing involvement from these districts will strengthen D3 by broadening perspectives, fostering collaboration, and ensuring that all schools feel welcomed and represented.

Coppell High School is committed to serving District 3 with enthusiasm, organization, and dedication. We would be honored to have the opportunity to continue giving back to the district and supporting its schools through the Vice President position.

Thank you for your time and consideration. Please do not hesitate to contact us if additional information is needed.

Sincerely,
