To The Texas Association of Student Councils District 3,

We are writing to formally declare our intent to run for Parliamentarian of the Texas Association of Student Councils District 3. We would be honored to serve our district in this important role.

At Eaton High School, our Student Representative Shlok Brahmbhatt, along with our Student Council Advisor Jessica Zeske and Principal Stacy Miles, aim to create an atmosphere of belonging. It is a principal goal of our school and council to make connections, build relationships, and foster a supportive environment where students feel embraced. These skills are important in the role of Parliamentarian, as we believe solid relationships will propel respectful communication and discourse needed to plan an eventful year for our District 3 constituents.

Currently, our council is serving as the Texas Association of Student Councils State Parliamentarian. Our advisor Ms. Zeske feels confident that the knowledge and skills she has gained this year will help EHS successfully fulfill any duties required in this newly sought after position. We look forward to growing as leaders and learning more about and collaborating with councils across our mighty district.

Respectfully,

Stacy Miles
Principal
