To the District 3 Texas associations of Student Council,

Jack E. Singley Academy would like to formally declare our intent to run for District 3 Corresponding Secretary within the Texas Association of Student Councils for the 2025–2026 school year. We are prepared to take on this role with purpose, leadership, and a strong commitment to communication, understanding that effective correspondence is essential to keeping student councils informed, connected, and successful.

For the past ten years, Singley Academy has been an active member of District 3 under the leadership of Mrs. Jennifer McDaniel. During this time, our council has earned Sweepstakes recognition for the past three consecutive years and received an Honorable Mention for our scrapbook. These experiences have taught us the importance of consistency, organization, and clear communication across councils. As we transition to a new advisor, Ms. Alexander Bayer, we remain fully prepared to continue this tradition of excellence. Ms. Bayer will carry forward the foundation established by Mrs. McDaniel while supporting our continued growth and readiness to serve District 3.

Through this platform, we aim to model strong communication practices and help strengthen connections not only among student councils, but also within each school's student body. Our goal is to support District 3 by sharing information clearly, building relationships, and encouraging student councils to stay engaged, connected, and informed—one school at a time.

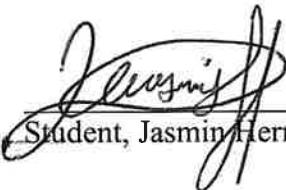

Our student candidate, Jasmin Herrera, is an 11th-grade student who has been involved in student council since 9th grade and has actively participated in District 3 since 10th grade. She has attended the 2025 Spring Conference, the Texas Association of Student Councils State Conference in Arlington, the Leadership Summit, and the 2025 Fall Conference at Nimitz High School. Jasmin has taken each opportunity seriously and continues to grow as a leader who values responsibility, organization, and thoughtful communication. She is prepared to serve District 3 with dedication and professionalism as Corresponding Secretary.
